

Invitation on the forthcoming 8th European Conference on Psychology and Visual Impairment, on – line from Prague, Czech Republic

**8TH EUROPEAN CONFERENCE ON PSYCHOLOGY AND VISUAL IMPAIRMENT
„REAL LIFE (IN) DEPENDENCE“**

Dear colleagues,

our following Conference called Real life (in dependent) and should focus on supporting the visually impaired, leading to true independence in daily life.

This conference was hosted by Primary and Low secondary School for visual impaired and Special Centrum for visual impaired children, located in Prague and organized in cooperation with ENPVI, the European network for psychologists and related professions working in the field of Visual Impairment.

Therefore, ICEVI-Europe together with the National organization warmly invite you to join the

8 th ICEVI European Conference on Psychology and Visual Impairment, 1st – 2nd July, 2021, online from Prague.

Given the current situation in the world, we have designed it in the online form. We believe that you will still enjoy meeting and sharing ideas and experiences. Below are important points for organizing a conference.

- The collected abstracts will be published on the conference website www.visionprague2020.cz after **abstract deadline 15.5.2021**. According to which you will choose the topic you are interested in and join at the given time.
- Please send us **full-text and / or powerpoint presentations** 1/ in case of technical problems from you side 2/ for publication in a special issue of the Newsletter ICEVI Europe, which will also be the Proceedings 8th European Conference on Psychology and Visual Impairment (conference@visionprague2020.cz), **deadline 15.6.2021**.
- Prepare your presented materials so that we can use them for publication in the Proceedings / Special newsletter ICEVI Europe. By submitting, you consent to the publication
- If you have photos of persons/ groups in your presentations or other materials, you must have written consent to publish these persons and then let us know that you have received permission to publish. Please confirm it under your presentation or other material.

- The ONLINE conference will take place via the **Cisco WebEx platform**, and a general connection test will be performed before conference, Instructions for using the WebEx video conferencing solution will be sent after 15.5.2021.
- The conference will be realized from a studio in Prague, with the support of a professional AV media team.
- The Conference moderator will be colleague Mr. Ondřej Cerha from London, UK.
- Presentations for all participants are in English only.
